

## Payment Policy

Got insurance?

We require a picture ID and your health insurance card if you have Netcare PPO, Staywell, Selectcare or Takecare. We ask that you pay your co-payment with VISA, Mastercard or Cash.

Please be advised that insurance companies do not cover cosmetic services, work or sports physicals, and some immunizations. Netcare and Selectcare do not cover acne. Plans may vary, so check with your provider.

**NO INSURANCE? NO PROBLEM!**

Remember, our treatment cost is affordable, even without insurance. Most visits cost \$65 -- not much more than some insurance co-pays.
